It feels good to be a part of something as important as representing students at the College. I feel like I have a lot to contribute. I am outgoing, and enthusiastic, and highly creative. I am also very committed to this College. I am not afraid to try new things and would love to see more students getting involved.

I am so excited to be on the Students' Council this semester! I feel it's a great honour to be able to represent the students and carry their voice. If there's anything we can do to better your time here at Nor Quest please feel free to stop me in the hall to let me know and I'll work hard to make your voice heard.
